

“Hear the Cry of the Earth. I urgently ask of you to rethink your actions, for greater conformity with God’s Commandment, to care for the garden, in which He has placed us in...our Common home”

Pope Francis

Action Plan for Ecological Conversion

1. Pray for creation through Nehemiah’s prayer. Fast, offer holy masses and pray the holy rosary.
2. Responsible disposal of waste in our homes and workplaces *
3. Responsible consumption and purchases *
4. End ‘Single use plastics’ at home and at offices. Convert to Bio-degradable options.
5. Compost your waste at home.
6. Use cloth (bio-degradable) masks and remember to cut off the straps before disposing.
7. Give your financial contribution for the protection of creation too (Forests, Eco systems, Animals)
8. Invest your money in institutions that are aligned to the Kingdom values.
9. Convert to renewable (Eg: Solar) energy at home if possible.
10. Use your voice in society to spread the word, about our responsibility as custodians of creation.
