PRAYER FOR OUR EARTH

(From Laudato Si)

All powerful God, you are present in the whole universe and in the smallest of your creatures
You embrace with tenderness all that exists. Pour out upon us the power of your love, that we may
protect life and beauty

Fill us with peace, that we may live as brothers and sister, harming no one

O God of the poor, help us to rescue the abandoned and forgotten of this earth,
so precious in your eyes

Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty,
not pollution and destruction

Touch the hearts of those who look only for gain at the expense of the poor and the earth

Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that
we are profoundly united with every creature, as we journey towards your infinite light

We thank you for being with us each day

Encourage us, we pray, in our struggle for justice, love and peace

AMEN!

You shall not pollute the land in which you live
